

Easy as ABC

Sarah Fielke class requirements

Choose from Sarah's Freedom, Sleepy or Easy as ABC patterns and make a fun wordy statement for someone special.

Obviously, depending on which pattern you choose to make, you will need different material requirements. Once you have enrolled in the class, please go to sarah@sarahfielke.com and click on the "Sisters" tab. You will then be able to choose from the three different quilt options in this class. After purchase you will be sent the material requirements for the appropriate quilt, and the full pattern plus a full alphabet grid will be brought to class for you. The website should not charge you postage - if it does please type SISTERS in the comments section and your postage will be refunded.

Please note that this purchase is not an automatic download, I will be sending it to you manually, and I live in Australia! So when you order it might be 3am - and it might take me a few hours to send it to you :)

Supply List: Other than fabric as listed in the patterns, you will need-

- * a 45 degree (half square) triangle ruler. This is optional but will make your cutting simpler and your piecing easier and more accurate. There is one available from my website under the same conditions as listed above for the pattern. Please note that if you want me to bring a ruler for you, I will need this order by June 20 at the very latest.

- * I recommend you bring your own mat, ruler and cutter to this class as there is a lot of cutting and trimming.

- * Copy of one of the patterns as detailed above. Each student must OWN their own copy of a pattern.

Before class I recommend you cut your letter fabrics (NOT your background fabrics) into 2 ½" strips, UNLESS you are not planning to use the triangle ruler. In this case you will need both 2 ½" and 2 7/8" strips. This will save you a lot of time in class.

If you would like to spell your own word and not use one listed in the above patterns, I recommend purchasing the Easy as ABC pattern, which will give you instructions for each letter of the alphabet. I am happy to give you direction on how to arrange your letters for a quilt of your own, however I cannot recalculate material requirements for new patterns.

If you have any questions or concerns prior to class, feel free to email me at sarah@sarahfielke.com.
