**Course Overview**

Tell your story in thread. Create a densely hand embroidered vignette using pearl cotton threads and wool fabric. Learn a swift way to transfer your original sketch to the wool and how simple embroidery stitches create line, pattern, and texture to illustrate your story. A kit of hand-dyed threads, needles, and a solid colored wool fabric is provided. You'll also receive a handbook of embroidery stitches to inspire even more stitch ideas. Enjoy the ease of creating small artwork on wool.
