

Free Motion Machine Quilting

Supply List

310

Instructor

Frieda Anderson

Email

frieda@friestyle.com

Experience Level

Beginner

Sewing Machine Required

Yes

Course Overview

Frieda's award winning quilts have been in many magazine articles, books and shows. Even a beginner quilter can easily make her own quilted designs without marking or using templates. With the sewing machine used as a drawing tool, learn to handle the quilt sandwich with confidence as Frieda leads you through a series of fun exercises. Each exercise carries you along step by step, helping you develop your own style and expertise. The result: you'll enjoy your free motion quilting with confidence. Workshop includes discussion of needles and threads, and how to make complex free motion patterns from simple designs and how to baste a large quilt.

Required Supplies

Sewing machine in good working order with feed dogs that drop and an embroidery or darning foot attachment. Your machine manual.

If you have them – Machine Quilting needles size 11-14

8 – 15" x 15" square fabric sandwiches, three layers – light colored solid fabric, batting (preferably cotton or cotton blend), and light colored solid back. Already made up and basted with spray basting 505, or safety pinned around the outside edges

Scissors or snips

Cotton machine quilting thread – Aurifil, Superior, or other machine quilting threads

Pillow to sit on

Kit for class which contains Frieda's book of designs (distributed in class), machine quilting needle and bobbin weight thread \$20.

Optional Supplies

Decorative threads (optional)

Extra light if you feel you need it

Class Prep
