<b>Instructor</b>	<b>Course Overview</b>
Tula Pink	Tula Nova is a gateway to English Paper Piecing. This is a hand piecing class that will cover the EPP sewing method, fabric selection, fussy cutting, basting and finishing.
<b>Email</b>	
tula@tulapink.com	<b>Fabric Selection</b>
<b>Experience Level</b>	I recommend beginning with a fat quarter bundle. Your fabric needs will change depending on your fabric scale and repeat. Begin with a selection of fat quarters that you like (15-20) or a pre-packaged bundle of fat quarters and we will build out from there.
Confident Beginner	
<b>Sewing Machine Required</b>	Fabric selection and quantity for a quilt like this depends on a lot of factors that we will cover in the class – like fussy cutting.
No	Be prepared to add fabrics in from the selection around us at the shop. This quilt is best built as you go making fabric selections along the way.

## Required Supplies

Paper pieces and acrylic template pack for TulaNova

Fabric Glue Pen – I prefer the Sewline brand (craft glue sticks are not recommended)

Glue Pen refills – at least two (any color)

Frixion Pen – or other erasable marking tool

Hand Sewing Needles – I prefer Tulip Size #10 Big Eye appliqué needles

Thimble – Any type that you are comfortable with. I don't use one and my finger has paid the price, so do as I say and not as I do.

Small Fabric Scissors – I recommend a 6 inch sharp point fabric trimmer or micro-serrated scissor.

Thread snipper – I prefer a curved EZ Snip but any small thread snipper will do.

2 to 5 Sandwich bags – to keep your basted pieces in, losing a piece is extremely traumatic.

Thread – Aurifil 50 wt small spools, a variety of colors to match your fabrics

### Optional Supplies

Light Pad

Small rotating cutting mat

18mm rotary cutter

Wonder clips

### Required Notions

TulaNova piece pack and templates from [paperpieces.com](http://paperpieces.com)

### Class Prep

None

A Starter Pack will be available for this class in March
