Course Overview

Everyone loves birds. This a modern version of the pattern by "The Pattern Basket" I used Cotton & Steel fabrics for the birds and Essex for the background. I made a small wall hanging, but would be a great full size quilt. The small wall hanging has nine birds.

If you want to make the large quilt you will need to check the back of the pattern for amounts. I used a light blue Essex background. It adds texture to the wall hanging and gives it a more modern look.

Required Fabrics and Supplies

27 fat eights of different bird fabrics (3 fat eights to make one bird)

1 ½ yards of background

Basic sewing supplies including: a cutting mat, ruler, cutter, and marking pencil.

Required Pattern

"Feathers" by the Pattern Basket
