

**Class Description:** This is one of my first published quilts and most requested pattern so far. Originally called Split Pea Soup, I have reworked the instructions and done up some more samples to share in class. It's a real scrap buster and so simple with great results. Pick two colors to feature your favorite flavor: Green and Yellow for Split Pea, Blue and Orange for Blueberry Carrot, Red and Green for Beet Spinach Soup...the Flavor options are limitless!

**Supply List:**

sewing machine with ¼ inch foot or at least your ability to make accurate ¼ inch seams  
rotary cutter, cutting mat, and 18" or longer straight ruler.

Pattern (available at [Stitchin' Post website](#))

**Thread**

Other basic sewing supplies: seam ripper, pins, etc.

**Fabric list:**

3 to 4 yards of assorted prints and solids in one of the two color groups you have chosen  
3 to 4 yards of assorted prints and solids in the other of the two color groups you have chosen

**Pre-cutting options:**

I like to create as we go, so I don't encourage a lot of pre-cutting, but I also know that it helps in getting more done in class.

That being said, if you like you can cut these precuts:

Cut a variety of 1", 1 ½" strips, and 2 ½" strips from each color group.

It could helpful to cut a bunch of the 1 ½" strips (above) into 1 ½" squares as well. (this is all that you need the 1 ½" strips for)

Save some of the fabrics to explore an alternative quick-piecing method in class that is different from the pattern.
